Job Posting: Share & Be Aware Ambassador

Share & Be Aware Ambassadors deliver bicycle and pedestrian safety education in multi-county regions through classes and outreach events. 4-9 openings exist across the entire state including all major cities and rural areas. Regions will be determined based on the locations of the most qualified applicants.

The ideal candidate must enjoy people, biking, walking, working independently, and seeking out new opportunities for safety education. While focusing on safety, Ambassadors may expand their hours by working on other Bike Fed projects including membership, merchandise sales, and advocacy support with manager approval.

Details
» $12.50-$14/hour, Limited Term Employment.
» 10-20 hours per week, May through October with a mandatory paid training in April, Exact start dates are flexible.
» Ambassadors set their own schedule but are expected to work at least 6 weekend days per month.
» Midseason raises for high performers possible.

Responsibilities
» Schedule and teach bike and pedestrian safety classes, give presentations at business and organizations (such as Lunch ‘n Learns)
» Schedule and attend events in the region and do safety education outreach. Work with volunteers as needed.
» Develop partnerships and opportunities to meet Share & Be Aware goals:
» Author occasional blog posts to support program goals and share your work in the community.
» Spanish speaking and writing skills are required for one position based in Milwaukee.
