Southside Milwaukee Bike/Walk Coordinator (Bilingual)

The Southside Milwaukee Bike/Walk Coordinator-Bilingual will work on three projects to increase the safety and number of people walking and biking on Milwaukee’s Southside.

» Share & Be Aware (50%): Conduct safety education thru classes and outreach to educate all road users to increase the safety of walking and biking

» Open Streets (25%): Assist in the planning and conduct community outreach and promotion for 2-3 Ciclovia style events

» Biking for Health Study (25%): Conduct a 12 week bicycling intervention with 10-25 overweight inactive adults that includes education, rides, and personal coaching to help biking become a habit for them.

The ideal candidate must enjoy people, biking, walking, event planning, encouragement, promotion, working independently, and seeking out new partnerships to increase walking and biking.
