# Encourage Student

## Activity

**Encourage and motivate students to be active and healthy, especially during this time of virtual learning.**

**The Bike Fed is providing technical assistance to any MPS classroom interested in piloting a new app.**

**Using the Active4.me Run Club app, teachers and coaches can set fun daily challenges, and communicate with students.**

**Email: Safe Routes Instructor  
caitlin@wiconsinbikefed.org  
for FREE technical assistance**
