2024 MEDIA KIT

ADVERTISE WITH THE BIKE FED

The Ride Guide is brimming with captivating and valuable content. Every April our members look forward to the magazine to plan their biking adventures for the upcoming season. This is a perfect opportunity for bike friendly communities, businesses, events, trails and so much more to stand out and tempt riders with your most unique opportunities.

When our audience reads your ads they *feel* the experience. With 21 impressive past issues, our audience is well defined and the Ride Guide is eagerly anticipated. With magazines, email, social media - plus website and digital ads - our advertisers can reach anyone who rides a bike.

Now, 10,000+ Ride Guides will be printed in 2024. Your message will be in the hands of our members, distributed at many cycling events, bike shops, coffee shops and other bike focussed businesses across Wisconsin, the Chicago metro area and the Twin Cities.

We also offer communities and businesses the opportunity to have the Ride Guide sent directly to their employees, customers and select mail lists at a steeply discounted rate. **Who would you like to invite to experience what you offer? The Bike Fed can make that happen.**

The 2024 Ride Guide is premium advertising. We find joy in sharing inspiration with all who pedal, those gearing up for speed and those who are casually rollin' along the trail connecting the dots. You will be sharing with readers who appreciate the lifestyle, and a sweet ride.

We're extremely excited to introduce our warmest socks ever. The all new Boot sock from Appleton based [FollowHollow](#) is like throwing a blast furnace on your feet. Alpaca fiber is hollow and those cavities create miniature air-locks to trap warmth and also produce a capillary action to remove sweat. Keeping your feet warm AND dry during the harshest weather Wisconsin can offer.
